2008-2009 DUES REQUEST

August 13, 2008

Dear Middle School Parents,

Welcome to the 2008-2009 Parents' Association. All our activities directly benefit and enrich our children and the Middle School. The Parents' Association underwrites many endeavors throughout the year and each class has its own budget for activities that build a sense of community.

Our funds are acquired by fundraising throughout the year and by Dues donations. We ask that each family consider making a *TAX DEDUCTIBLE* donation in the amount of \$25.00 to the "SSA Middle School Parents' Association". The dues are optional, but greatly appreciated by the students and our volunteer parents throughout the year. With your continued support and generosity, we look forward to an active and memorable school year!

Thank you,

Vicki Holthaus, Treasurer
Lisa Saperstein, President
