

Membership Dues Request Form

The membership dues are a very important source of funds for the Parents' Association. We use these funds for all of our activities and normally we are able to make a donation back to the school at the end of the year.

Please enclose a check payable to "SSA Senior School Parents' Association" for \$25.00 per family, and return it with the bottom of this form. A self-addressed, stamped envelope was mailed for your convenience.

Thank you for your support!
