

Form I Summer Reading Expectations 2020

Dear Entering Form I Students:

I am thrilled to have you all in English next year as you continue your journey through Shady Side Academy. Last year in English, you explored the complexities of identity with Mrs. Onest. In Form I, we will build on this ongoing discussion through our study of empathy. Empathy, the ability to share and understand the feelings of others, is one of humanity's greatest strengths. Literature is inherently empathetic; it allows us to step into another person's shoes and experience his or her life first-hand. As we read together next year, we will delve into the importance of empathy and the conditions under which it is encouraged or diminished.

With the topic of empathy in mind, I invite you to read our summer reading all-form title, *Parked* by Danielle Svetcov. This is a beautiful new book that explores issues of charity, homelessness, friendship, family, and belonging. I hope that you enjoy it as much as I do. Since our first unit of the school year will center around *Parked*, I encourage you to purchase a copy and read it carefully towards the end of the summer so that it is fresh in your mind and easily accessible.

In addition to *Parked*, you will have the chance to choose three interesting new titles from the choice summer reading list. Please be sure to make your selections from at least two different genres; this is an opportunity to savor a genre you love as well as explore uncharted literary waters. It is not necessary to bring copies of your choice summer reading books to school; feel free to borrow your three selections from the library or read them digitally. If the public libraries continue to be closed and you have difficulty acquiring your summer reading books, please see Ms. Guering's [library page](#) or email her directly at mguering@shadysideacademy.org.

In order to showcase your insightful reading of *Parked* and your three choice selections, you will be completing an assignment for each book this summer. Please be ready to submit these assignments at the start of the school year. I look forward to reviewing these artifacts of your literary acumen and creativity.

The Form I Summer Reading List and the Form I Summer Reading Assignment Sheet can be found on the Shady Side Academy website at www.shadysideacademy.org/summerinfo. They can also be viewed through the Parent Portal and on the page for newly enrolled families at www.shadysideacademy.org/welcome. Additionally, I encourage you to consult websites such as Amazon.com or Goodreads.com, which offer summaries, reviews, and sample pages. The website Commonsensemedia.org might also be helpful in determining if a book's content is suitable.

It is my sincerest hope that these titles entertain you during slow, balmy summer days and open your hearts and minds to the lives of others. Be well and read with great relish. I look forward to meeting all of you in August.

Warmly,

Mrs. Cannon
