

Dear 2018 Cheerleaders and Family Members,

Hello! I hope that everyone is enjoying their summer and getting geared up for an exciting fall term and cheerleading season! For those of you who don't know me, I am Kayla Kolic, your cheerleading coach for the upcoming season. Whether we already know each other, or this will be our first opportunity to work together, I look forward to getting to know each of you, and supporting you as both athletes and students. We also have three great student leaders, Rachele Whitehead, Brooklynne Lowry and Jordyn Harris, who will be serving as your captains this season!

Your cheerleading season will begin with pre-season. This year pre-season for all fall teams start on August 13 and run through the 24th. This is one of the most important parts of the season as everyone will learn all of the cheers for the games as well as learn to stunt during these two weeks. Pre-season practices will run from 9:00 am – 3:00 pm during the week, and end at noon on Fridays. Please stay tuned for more detailed information pre-season, which will take place primarily on the Senior School campus! During pre-season, you will have the opportunity to get to know one another as a team, while also learning cheers, jumps, motions, stunts, and working on conditioning. Once classes begin, we will have practices daily after school. In addition to these practices, you will be expected to attend all football games (both home and away), as well as special events such as homecoming, and any scheduled pep rallies or other events that are added throughout the season. Further information about these events will be available later this summer, as will details about our lettering policy, uniforms, and so forth.

Please remember that prior to the start of pre-season, all athletic forms that were sent home must be completed and turned into the SSA Athletic Department. If your forms are not in, you will not be able to participate in pre-season.

Should you have any questions or need to get in touch with me, please don't hesitate to email or call. Thanks, and enjoy the rest of your summer!

Best,

Kayla Kolic
