

Athletics

How can I find directions to away games?

The Athletic Office posts the opponent and the location for all Middle and Senior School games and matches. The schedules are posted on the specific team pages and on the athletics calendar: <http://www.shadysideacademy.org/athletics/athletics-calendar>

Clicking on the event name, will provide the event details, including the location address and a link to Google Directions.

Jan 31 2017 7:00 PM

What Athletics information is on the main website vs. in the Parent Portal?

The Parent Portal provides detailed need-to-know information for current parents including documents and resources for athletic team selection, information about requirements and health forms.

The main website provides information for current families and the entire SSA community including a list of the teams by season, coach contact information, game schedules and more.

Questions? Contact Terri Trenz McPhearson at ttrenz@shadysideacademy.org or 412-968-3065
