Entering German 3

Take photos of your summer vacation and be prepared to present what you've done over the summer. As you do so, consider tense and include how your summer could have been better. (Konjunktiv II)

Prepare 8-10 slides (not including a title slide) Each slide should have a maximum of 4 words. The entire slide show should be about 5 minutes. I'm looking forward to hearing them at the beginning of the school year.

Entering German 4AP

Befriend at least one native German-speaker on HelloTalk. They are there to practice English, you are there to practice German. Speak both languages with this person. *If you are 18 and under, you may only search people 22 and under.

- Ask this person (or people) what stereotypes German-speakers may have against your home culture.
- What stereotypes do you have of their culture? Do they fulfill these stereotypes? Why/why not? (Perhaps not something you may want to bring up, but something you can observe.)
- Why are they practicing English? Are they motivated? How is their Englisch?
- When speaking German, what pronouns do they use with you?
- What corrections have they made to your German? Come to school with examples.

At the beginning of the school year, we will have discussions based on your conversations with native German-speakers specifically on this app.
